

Sodom and Gomorrah Craft

Bible Story: Sodom and Gomorrah

Bible Text: Genesis 19:1-26

Suggested Learning Outcome: This glue and salt craft will reinforce the Sodom and Gomorrah story found in Genesis 19:1-26, and encourage kids to look to God in their lives rather than looking back or looking at circumstances in their lives.

Supplies List: (See image.)

- Black (dark) construction paper for each child
- Baking sheet (to catch excess salt)
- Pencils for children
- White Glue
- Table salt

Instructions:

Step 1. On the black paper write, "Do not look back, look to God," in pencil. (See image.)

Step 2. Go over the pencil letters with glue. (See image.) If you are doing this with a large group of children, you can pour glue into small disposable cups and allow the children to trace the lines with glue using q-tips.

Step 3. Shake salt onto the glue words. You might want to place a baking sheet under the paper to catch extra salt. (See image.)

Step 4. Shake off the extra salt and allow the glue to dry. (See image.)
